SALUKI EXPRESS

TransLoc

SIU
Southern
Illinois
University
CARBONDALE

TransLoc is a transit visualization system offering a website and a mobile phone app allowing you to view **Saluki Express** buses in "real time" as they travel on routes around campus and in the community. You can view routes and estimate arrival times to make your transit experience as convenient and safe as possible. The buses have GPS technology allowing tracking from your telephone or computer browser, tablet or smart phone. Scan the **QR Code** above to go to Transloc's website and get the app.

Visit www.salukiexpress.siuc.edu for more information.
