

Touch of Nature will be hosting 6 weeks of EDventure Summer Camps for children aged 5-16 from June 12, 2023-July 28, 2023. Each day is filled with an adventure and a learning experience ranging from nature observation to splashing in little grassy lake to outdoor living skills.

FOREST CAMP

Age 5-6: Camps designed for 5-6 year olds focus on discovering the natural world and making new friends through outdoor play and exploration.

FOREST CAMP

Age 7-8: Camps designed for 7-8 year olds focus on active free play and experiencing new sounds, scents, and sights, as they explore Touch of Nature.

ECO CAMP

Age 9-10: Camps designed for 9-10 year olds will focus on experimenting with the natural world, learning outdoor skills, and making new friends.

ADVENTURE CAMP

Age 11-12: Camps designed for 11-12 year olds will focus on connecting to the Earth, to each other, and to themselves as they explore the land and waters of Touch of Nature.

UNDERWAY CAMP

Age 13-16: Camps designed for 13-16 year olds give campers the chance to practice wilderness skills and explore new outdoor pursuits through exciting multi-day trips and day camps.
