

Fall 2020 Continuing Education Online Courses

SIU has partnered to offer instructor facilitated on-line courses in a variety of areas, specialties and topics. Check out our fall continuing education courses offerings for exciting and interesting course options. Courses are as low as \$99 and last up to 6 weeks. There are also self-paced options available. For all course offerings under each category and registration information, please visit each course offerings page.

Course Offerings:

BUSINESS FUNDAMENTALS

Whether you are hoping to start a business or enhance an already existing business, there are plenty of on-line courses catering to business needs. Now is the perfect time to divulge in business fundamentals.

CONTINUING EDUCATION COURSES FOR HIGH SCHOOL STUDENTS

High School age students will have the opportunity to take continuing education non-credit courses in a variety of topics this fall in order to learn a new skill, explore a subject or develop themselves personally.

EDUCATOR RESOURCES FOR STUDENTS WITH DISABILITIES

Learn strategies and develop tools to improve your ability to teach children with disabilities and watch the breakthrough happen again and again. Discover the neurobiology behind these disorders and learn practical ways to help. Course offerings include learning strategies to help teach students with disabilities, ADHD, Autism and empowerment tools for disabled students.

LEARNING A LANGUAGE

Learning another language is important for personal or professional development as well as connecting with other people and the world around us. Students will have the opportunity to take courses in a variety of languages.

TEACHER RESOURCES

A variety of K-12 teacher courses are included in our featured courses for educators. From cyber security, COVID-19, classroom technology, grant writing, common core, Spanish in the classroom, science, math, reading and more!
