### Candlelight Vigil Display Student Center Art Alley

The SIU community will be able to offer their respect to those recently lost by visiting a display honoring the victims of the recent violent attacks on the Asian American and Pacific Islander community. This display will be up all April.

### FRIDAY April 30

### International Coffee Hour 3 - 5 pm | Center for International Education

This event is traditionally an informal social event, created to promote social interaction and friendly conversation between American and international communities. Keeping the safety of our Saluki family in mind, there will be no gathering allowed, but you can still stop by the parking lot outside of the Center for International Education to pick up a snack bag of individually wrapped refreshments.

### Asian American and Pacific Islander Heritage Month: Reading List Morris Library

Beginning April 1 there will be a book display in Morris Library featuring Asian American and Pacific Islander authors. The display will be up until May 31.

### International Fest: Cooking Show Facebook
