

SIUC Dental Sealant Grant Program

Summer 2021 Schedule of Events

The Dental Sealant Grant Program is for children from three to 17 years old. Services will include exams and fluoride treatments. The exam fulfills state requirements for children who will be entering kindergarten, second, sixth, and ninth grades this fall. There is no fee for the dental services. Children who are members of the "AllKids" program should bring their medical card.

We will be practicing social distancing and ask that mask be worn.
