

SIUC Fine Arts Activity Fee presents

Happiness is a Warm Projector: The Cinematic Meanderings of Bryan Konefsky

Thursday, March 9
6:30 - 8:00 PM

Parkinson 124
Browne Auditorium

Konefsky is the founder and director of Experiments in Cinema, an annual international film festival in Albuquerque that showcases avant-garde cinematic art. Senses of Cinema magazine has identified Experiments in Cinema as one of the top 10 experimental film festivals in the world.

In addition to showing some of his own amazing films, Konefsky will present a selection of outstanding motion pictures that have screened at the Experiments in Cinema film festival.
