

**SOUTHERN ILLINOIS**

# **RESOURCE MEETUPS**

**Helping communities connect!**

The SIU Office of Innovation and Economic Development, in collaboration with multiple partners throughout the region—including chambers of commerce, networking and economic development organizations, and libraries—invites you to connect in your community. These events will provide insights into various programs and services, including Broadband READY and business resources.

**Call 618-536-4451 for  
more information or email  
innovation@siu.edu.**
